Subject: February report

February report

- Clearing streets and moving snow piles.
- A light pole fell in a wind storm at HGCC parking lot. Wires disconnected and pole is now at the village shop.
- Broke a shaft on the tractors snow blower. Removed broken parts and dropped them off with Darren Vollmer for repair.
- Put traffic cones around crokicurl in case it snows and gets covered.
- Darren ended up making a new shaft for the snow blower. Picked up and installed, snow blower back in service.
- Cleared snow off the sidewalks on Saskatchewan st.
- Sewer high level alarm went off at HGCC. Pump 2 breaker tripped, was reset and being monitored closely.
- Got replacement street sweeper for skid steer.
- Hired Troy to help move big snow piles out to fields.
