## March report

- Got fittings and hose for hot water pressure washer and hooked up hose reel.
- New tires installed on skid steer and back tires on the tractor
- Clearing culverts so water can drain
- Residential and business water meter readings completed
- Hooking up more cellular meters
- Installed key pad locking door handle on janitors room door at HGCC
- Took tufts bay campground sign to the shop to fix up and change the prices for campers
- Closed tufts bay road to campground temporarily due to poor road conditions
- Cleared snow at transfer site so Sask power can get in and dump branches
